

LAW-INTELLIGENCE.

SUPREME COURT—CHAMBERS—MAY 26.—Before Justice Barnard.

THE TILT CASE SETTLED.

Tilt agt. Tilt.—This case was yesterday announced to be settled, the plaintiff after examination withdrawing her charge.

UNITED STATES DISTRICT COURT—MAY 26.—Before Justice C. C. Tamm.

The United States agt. Five cases of cigars marked "J. C. T."—The Government in this case moved for the forfeiture of five cases of cigars, upon the ground of undeclaration in the invoices, with intent to defraud the Government of its proper entry. The goods were imported from New York, and the entry of this particular case was made & filed on the 23d of June 1864, at the valuation of \$2,600. The Government applicants advanced this price to over \$2,000, and they were accordingly seized for forfeiture.

It is shown that the cigars were dry and unburned, and therefore properly involved.

For the Government it was shown that although the goods were dry and all alleged, yet this was taken to be a general charge, and that the value of the goods was not given, and the value fixed at a lower figure than it would otherwise have been on this account.

The jury, being locked up on Friday night, brought in a sealed verdict, which was opened this morning, and found for the Plaintiff.

John Murphy agt. Assistant U. S. District Attorney.

Kaufman, Frank and Wilcoxson for the claimants.
